Cubs Newsletter

Week 23

This Week

We have started our new topic, Splish, Splash, Splosh. We went to visit our pond and observed what was in it. We made sketches of what we saw. We also looked at the tadpoles that Mrs Silvester had brought from her pond. They are in Lion Cubs classroom and are growing fast! In literacy, we talked about different ways that we use water and wrote our own sentences. In maths, we learnt how to find one more and one less. Perhaps you can ask your child to find one more and one less when you are setting the table or shopping this weekend.

Bank Holiday Monday

Don't forget that school is closed on Monday,
1st May.

Next week

We shall be learning all about the life cycle of a frog. We shall draw and write about how tadpoles grow into frogs. We shall also be using our number skills to count out sets of mini frogs, and arrange them into groups by size and colour.

Toilet Rolls

Please can you save any toilet rolls and send them in for an art project. Thank you.

P.E clothes

We have started doing our P.E lessons outside, so that we can practice skills for Sports day in June. We still have a number of children who do not have a P.E kit in school. Please make sure that you send a named t-shirt, shorts and trainers – it is not safe for children to be wearing their uniform and shoes for P.E.

Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.

Achievement Awards

Otters – Joseph – for
super sentence
writing about how we
use water

Lions - Emir – for
having a great first
week

Honesty Value Award

Otter –
Harrish
Lions - Yuvraj

Work of the week

Niya (Otters) – for super independent
math work
