## Cubs Newsletter

**Week 30**

### **Folder Friday**

Thank you to those families who were able to come to Folder Friday today. The children are always excited to share their work with you.

### **Paddling Pool**

Thank you to those parents who have sent in a swimming costume/trunks, a towel and named sun cream. We shall be taking every opportunity to use the paddling pools when the sun is out and the weather is hot. Keep your fingers crossed.

### **Fabulous Finish**

To end our topic, Splish, Splash, Splosh we are planning to have a seaside day at Cauldwell School. We have arranged for a punch and judy man and an ice cream van to visit us. Letters with more information to follow next week!!

## This Week

We have been learning lots more about rivers. We read the story *The Journey* by Neil Griffiths about a little boat having an adventure down the river. We used a story sack with lots of props to help us re-tell the story. We also did some drama with dance to help us understand how a river can flow fast and slow on its journey to the sea. In Art, we made river collages and in Science we completed an investigation into floating and sinking. We kept cool in the hot weather by having fun testing different objects to see which would float and sink.

## Next Week

We shall be learning about who lives in the ocean. We shall be reading *Sharing a Shell* by Julia Donaldson and writing about the story.

We shall be making some boats and sea creatures for our topic books.

# Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.
