## This Week

We have been learning about the Story 'Handa's Surprise. We have been drawing the fruits from the story and making our own fruit baskets. We have also been celebrating Diwali. We made Diya lamps, Diwali cards and Rangoli patterns outside using chunky chalks.

We have also been learning to write Bumpy Number 3 and weighing fruit to find out which fruit is the heaviest or the lightest. Please keep practising counting and writing numbers 1 to 10.

## Next Week

We will be learning about 'Birthday's. We will be listening to the story 'Kipper's Birthday' and making birthday cards, invitations and having a party. In maths we shall continue our math exploration inside and outdoors. In Phonics we are learning the sounds 'a, m, i, s, t' and we will continue to use these sounds to word build. Please remember to read at home.

# Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.
