Week 17

## This Week

We have been learning about the story of 'The Three Little Pigs'. We have been drawing our favourite part from the story and using the sounds we know to write a sentence about our picture. We also made our own The little pig's story book by sequencing the pictures in the story.

We have also been learning to write Bumpy Number 10 and been practising our writing of numbers up to 10 and 20. Please keep practising counting and writing numbers 1 to 10.

## Next Week

We will be learning about the story of 'Goldilocks and the three bears.' In maths will be sorting by size order small, middle sized and big using the compare bears to help us explore size.

We will also been looking at 2D and 3D shapes and naming some of their features. In Literacy will be listening to the story of Goldilocks and the three bears and acting out the story within a group. We will be working together to make a story map drawing and talking about the main parts in the story.

## A Gentle Reminder.

# Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.
