### Week 22

### This Week

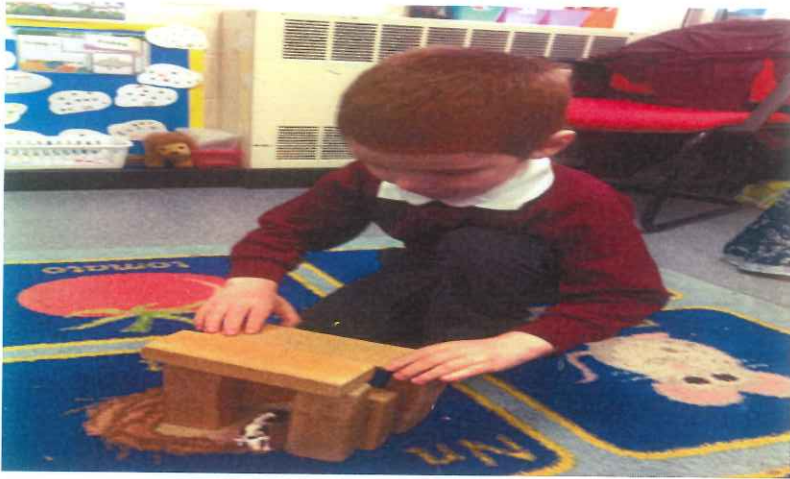

This week we have been Learning about Old MacDonald's Farm and looking at the different animals he has. We had great fun singing the songs and outside we went on an Animal Hunt. We had to listen carefully to the clues and guess which animal was hiding. After that we independently wrote our own sentences about each animal we had found. In Maths we have been making Bumpy Number 17 using the union pieces and writing numbers. We have been naming 3D shapes and talking about their features. We used the 3D shapes to build the farm animals new homes. Please keep practicing 3D shapes at home with your child.

### Next Week

We will be learning and looking at the story 'Farm Families'. We will be looking at the different animals and their babies and learning the names of the baby Animals. In maths we will be learning about sharing, doubling and halving numbers. We will be making bumpy number 18 and sharing the Hens eggs between ourselves. In the Afternoon we will be learning about Hens and that they give us eggs. We will be making scramble eggs!

**Please Remember**

**It is the Bank Holiday on Monday the 7<sup>th</sup> May and we will be back to school on the Tuesday at 8.50am.**

**3D shapes building animal homes.**

# Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.

## Achievement Awards

Otters – Vihaan  
Lions – Gowrav

## Appreciation Value Award

Otters – Sana  
Lions – Jannath
