Week 20

Fabulous Finish

On Thursday we will be having our Fabulous Finish. We have a guest story teller coming into tell stories and the children will have the chance to be involved in a variety of activities.

A Polite Notice

Please can you ensure that your child doesn't play with the toys or equipment in the outdoor garden when waiting to start school or at the end of the day. The garden is being left a mess and the toys are getting broken and would really appreciate your help and support with this matter.

Diary Dates.

Friday 23rd March- Folder Friday at 3pm.

You can come into class and look at your child's learning journal together.

Thursday 29th March - Spring Festival at 9.15am in the Hall.

This Week

We have been learning about the story of 'Jack and the Beanstalk'. We have working in small groups talking about what happened in the story and drawing a group story map retelling the story. We have been sorting characters from the story and making Beanstalks using play dough. We have also been learning to write Bumpy Number 14 and finding the Numicon pieces to help us make 14. We have been exploring money by sorting coins, counting coins and playing in the shop using money to buy fruit and vegetables. Please keep practising counting and writing numbers 1 to 20.

Next Week

We will continue learning about the story of 'Jack and the Beanstalk' and we will be planting our own bean seed and watching how it grows of our Beanstalk. The children will be making a castle name tag for our bean seed and share their ideas about what they would like to see at the top of their beanstalk. We will also carry on exploring money by looking at coins, sorting coins and playing with it in our shop. As well as making Bumpy Number 15. We will continue to investigate maths in our outdoor learning environment. Please keep practising your reading and word building at home daily.

Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.
