Week 7

Spooky Story Day

We have had a very busy week in Cubs!! On Tuesday, we had a spooky story day. The children rotated between the Year R and Year 1 classes where they listened to different stories and completed activities.

Birthdays

On Wednesday and Thursday we spent the day learning about birthday celebrations. We read the story, Kipper's Birthday by Mick Inkpen, made birthday cards, baked fairy cakes and decorated playdough cakes using different collage materials. We finished our week by holding a 'Smile Party' to celebrate World Smile Day. We played 'pin the smile on the face' and pass the parcel, ate our party food and had a dance.

Thank You!

Thank you for your party donations to help make the day special for our children. We have had lots of fun this week and will be able to make a donation to The Smile Train – we shall let you know how much we raised in the next newsletter.

Next Week

We shall be learning about how we have grown since we were babies. Please send in a photo of your child as a baby in a named envelope for us to share. We shall be reading the story Titch, about a little boy who is growing fast and learning to do new things. In maths we shall be exploring measurement and measuring ourselves to see how tall we are.

Reading

Please, please, please practice reading with your child every night!! Just 5-10 minutes every day makes an incredible difference in helping your child learn to read. Please remember that the red reading diary is for adults to write in....not the children. Please make sure your child has their reading pack in school every day. Thank you for your support.

Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.

Achievement Awards

Otters – Kaleem
Lions - Edwin

Respect for the Rule of Law

Value Award

Otter – Adam
