**Week 21**

## This Week

We have been learning about the story of 'Jack and the Beanstalk.' We have been Planting our own Bean seeds and then drawing what we would like at the top of our Beanstalks! We have been sequencing the story and recalling key events to our friends.

We have also been learning to write Bumpy Number 15 and using the Numicon pieces to make 15. We also have been looking at money by sorting coins, counting pennies to match the number on our number cards and using the money to buy items in our shop and making price tags.

## Next Week

We will be learning about being Eco friendly and also looking at the celebration Easter. We will be sorting our recycling, making poster's and playing sorting games. We will be going on a Spring walk around the school looking for signs of 'Spring' For our Easter celebrations we will be decorating eggs by collaging and painting, making Easter hats and baskets and matching numbered eggs. We will also be having an Easter egg hunt on Wednesday care of the PTA. Please don't forget to hand in your £1 donation for the Easter egg hunt.

## Our Fabulous Finish.

We were really lucky to have a fabulous story teller come into school and share lots of Traditional tales with us. We met lots of friendly puppets and helped join in with the stories.

# Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.
