Week 24

This Week

This week we have been learning and looking at the song Five Little Ducks. We helped Mummy Duck by making a poster about her missing ducks. We also came up with some fantastic ideas and drawings about where we thought the ducklings had gone. In our outside learning we went on a duck hunt to see if we could find the missing ducklings. In Maths we have been looking at doubling numbers. We used the Numicon to help us in our practical activities to find the doubles of numbers up to 6. We also have been working in pairs to add 1-digit numbers together and count the total amounts. We have been writing Bumpy Number 18.

Next Week

We will be continuing our learning of the 'Five little ducks'. In Maths and literacy, we will be assessing the children's learning from this term and sharing our learning experiences. We will also be making our own Little ducks counting line to help us with adding and taking away. In reading we will be going through our high frequency word check list. So please keep remembering to practise them every day. The words on the check list are read a whole word as some of these words are not able to be segmented by their sounds.

A big Thank you

A huge Thank you for all dressing up in your football or sporty clothes. It was a huge success and the money raised will help Our Summer Fayre.

Junk Modelling

We are running very low on our junk modelling resources. So if you have any old cereal boxes, plastic bottles, corks, toilet rolls or milk carton lids please feel free to drop them off to your child's class. We are going to be making our own Tractors and would really appreciate any donations.

Diary Dates

Friday 25th May is the last day of term and we will return to school on Tuesday 5th June at 8.50am.

Sports Day will be Friday 8th June and all children will need their full P.E kits for this day. Parents are more than welcome to attend in the afternoon and you will be able to see your child taking part in a variety of races on the field and cheer them on!

Congratulations

On Friday mornings we have an award assembly, where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.

Achievement Awards

Otters – Kaleem
Lions – Arun

Appreciation Value Award

Otters – Seyha
Lions – Ria

Work of the week!

Well done Fatihah and Jannath for your beautiful drawing of the Farm Animals on the computer using the mouse.
