Cubs Newsletter

Week 3

This Week

We have been learning all about Harvest. We read the story, The Little Red Hen and looked at some wheat that she used to bake a cake. In maths we collected leaves, seeds and conkers and used them to help with our counting. In our creative area, we made hedgehog pictures using spiky leaves. We have started learning our sounds a, i, m, s, and t and using them to build words.

Next Week

We are going to be learning all about ourselves. We shall use a variety of materials to make our faces....paper plate faces/playdough/collage faces and paint our self –portraits. In maths, we shall be learning all about the number 1. We shall practice writing the number and make collage number one's for our Bumpy Number Books.

Harvest Festival

Thank you to those parents that were able to attend our Harvest Festival. It was lovely to see so many of you there. The children were very brave to stand up and sing in front of such a big audience. Thank you for the donations of food that supported our Harvest Display.

Here I Am

Please help your child to fill a plastic bag or box with their favourite things to talk about at school. Items may include a family photo, favourite book, toy and cuddly toy. We shall be sharing them to help us get to know your child even better
