Week 4

## This Week

We have been learning about 'Ourselves' and finding out what is special to us. We have been using mirrors to look at our features and then painted our self-portraits. Have a look at our fantastic self-portraits on our class wall display when you bring your child to school. Zero Hero visited the children today and brought zero shaped treats as a reward for super counting. Please keep practicing counting at home!

## Next Week

We will start learning about 'Our School' We will go on a visit around the school and find out who the people are that help us at school. In Phonics we are learning the sounds are a, i, m, s and t. We shall practice writing these letter sounds and saying their sounds. In maths, we shall continue our math exploration inside and outdoors.

## Thank you

We would like to say a big Thank you for all the parents that were able to attend our Phonics meeting. We hope this will help you to support your child when they bring home their reading packs.

We would also like to Thank you for all the beautiful 'Treasure Boxes' you helped your child to make at home. All the children have enjoyed sharing them with each other in Circle Time and it has been lovely seeing what is special to your child.

## Diary Dates

Thursday 12<sup>th</sup> October – Cubs Community Breakfast (in the small hall) 8.15am till 8.45am.

# Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.
