Week 21

This Week

We have started our new topic 'Down on the Farm' We had a great time being Farmers for the day and especially enjoyed our visit from Ark Farm. We met lots of different animals and got to stroke a baby Lamb, a duck, a chicken and not forgetting the goat. We have also been tidying up our digging area, so we can start planting our own beans and potatoes. After our Farm visit we talked about our favourite animals and wrote Thank you letters to Tam the Farmer from Ark Farm. We have been very creative making and painting Farm Animals. Please pop into our class to see our wonderful work.

Next Week

We will be learning and looking at the story Rosie's Walk. In Literacy we will be making our own story maps and drawing pictures to re-tell the story.

In Maths we will be learning about Bumpy Number 16 and learning about position language like next to, on top of, in front, behind.

We will continue to investigate positional language by completing the obstacle course in our outdoor learning environment by going over, under, around, and through a range of equipment. Please keep practising your reading and word building at home daily.

Thank You

We would like to say a big Thank you for all the donations for the Ark Farm visit. The children have thoroughly enjoyed meeting the animals and it has helped with the children's learning about Farms. With out your donations we couldn't have had this amazing learning experience. It was also great to see soon many of the children dressed as Farmers, so thank you once again.

A Polite Notice

As the weather is getting warmer please could we ask that your child brings in a named sun hat and water bottle to keep us protected and hydrated when outside in the sun. Please apply sun cream at home in the morning before coming into school. Water is available throughout the day in your child's class too.

Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.

Achievement Awards

Otters – Sabina
Lions – Filip

Appreciation Value Award

Otters – Mason
Lions - Rayyan

Work of the Week

Arun in Lion Cubs for his independent writing and drawing a fabulous picture for his Thank you letter for Ark Farm.

Well Done!
