Cubs Newsletter

Week 19

This Week

Cubs have had a very busy week! We celebrated Shrove Tuesday by reading the story, The Big Pancake. We looked at the ingredients before making pancakes, wrote our own pancake recipes and finished the day with a pancake race.

100 days

We celebrated 100 days at school on Wednesday. We are now 100 days smarter! Zero Hero helped us to count out 100 treats.

Superheroes

We had fun dressing up as superheroes for World Book Day. The children completed lots of activities and ended the

day by watching a short play in the hall. All the money donated from the day will go towards Donaghan's new bionic arm.

Thank you for your support!

Next Week

We shall be continuing our learning about transport. We shall be reading The Train Ride and talking about what we might see on our train ride. Thank you to those parents who have returned the forms for the trip to Nene Valley Railway. We need them in by Friday 10th March. Thank you!!
