23.4.19 Term Starts

Please!

Please help...

We are doing lots in school to support your children's learning in reading, writing and maths. They take part every day in a literacy hour and numeracy hour. They have basic skills time to learn number bonds, practise handwriting and reading. Despite this your children still need more!!!

This is how you can help.

Please hear your children read at home and share stories with them. Help them to learn their number bonds and times tables and encourage them to write—letters, shopping lists, cards, anything. It will all help to move their learning on.

PE.

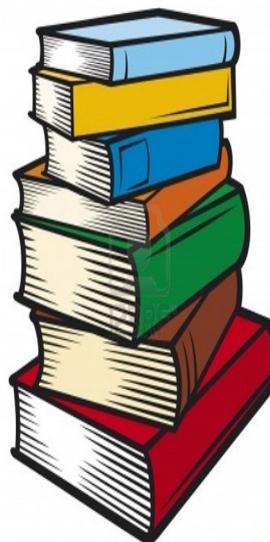

All children have two PE lessons a week. Please make sure they have their correct Kit. One of the lessons is outside so please make sure they have a track suit to wear.

World Book Day 8.3.19

Reading is a vital skill to learn. We are dedicating a day to reading and will be reading and writing 'Poems'. We would like children to come to school dressed up as their favourite book character. Donations of £1 will go towards new books for the library.

More details will follow.

Sleep Week!

Yes its here again! We know that children learn better if they have had a good nights sleep. To encourage you and your children to have good sleeping habits we will be asking you to complete a survey.

More details will follow shortly!!

Parents Evening. 20.2.19

Just a reminder that parents evening is on 20.2.19 Letters inviting you to the evening will be out soon. It's really important that you attend so please reply and the teacher's will give you an appointment. Thank You.

Parent Questionnaire.

Please complete the attached school Questionnaire and return as soon as possible. The results will be shared with you and areas identified for development will be acted on.

Safety!

Please remember children should not be playing on the play equipment outside before or after school. The school can not be responsible for accidents at these times. Thank you.

Holidays

Can I please remind you that taking your children out of school at any time for a holiday is not acceptable. Every day your children learn something new in school. So please make sure they come every day.

Education Welfare are checking and prosecuting. Fines are being enforced.

No holiday will be approved during term time. Please help us and your children by bringing them on time every day!!

Walk to school.

Please walk to and from school. It will save you time and be safer. Edward Road is too busy and we must keep it clear for ambulances / fire engines.

The car park is not for parents! If you have to drive please drop your children in Victoria Road and our staff will walk them through the alley.

Can you please also walk on the path not through the car park. It is not safe bringing children through the car park. Thank You.

Dawn till Dusk.

Reminder!!

We do offer before school and after school care from 7.30am –6.00pm for anyone who is unable to drop off or pick up at the normal times. It is based in the Community Hut and offers fun activities for your children. To book a place pop into the hut or call the school office.

Please also note that if you are late to collect your child we will take them to the club and you will be charged.

Coffee morning....

Please join Sheila in the Hut for coffee and chat on 22.2.19 at 9.00am, everyone is welcome.

**Enjoy half term
(11.2.19—15.2.19).**
