## Half way through the Summer Term!

Well we're half way through the summer term and the weather is supposed to be warming up !

### Plimsolls!

Now we're into the summer term our PE lessons are all outside so **please** make sure your children have either plimsolls or light weight trainers with their PE kit. Please can I also remind you that the schools PE Kit is a white or maroon t-shirt and maroon shorts.

Thank You.

### Assessments!

All the children worked extremely hard over the last few weeks when taking their tests and all have met the challenge calmly. Results of these tests will be reported to parents in the annual report - which will come home on Friday 7th July.

### Learning at home!

Please can I remind you how important it is to hear your children read at home. Just 10 minutes a day would make a big difference. You could also direct them to :

[www.phonicsplay.co.uk](http://www.phonicsplay.co.uk)

It is a website your children use in school and could help them progress.

### French Trip

11 Year 4 children went to France the week before half term and had a fabulous time. Please look at our website to see what they got up to!

### Attendance.

I know the sun is out and it may be tempting to have a day off but please don't. Your children learn something new everyday and miss out on experiences and opportunities if they are not in school. Please help your children by bringing them to school every day and on time.

Thank you.

## Community Meeting.

Our next meeting is on 22.6.17 at 9.00am and we will be organising our Community Fete (29.6.17) Please come, we need as much help as possible.

Without your help at events we will not be able to provide so much for your children.

Thank You.

## Sports Day 9.6.17

This year our sports day will involve children taking part in a variety of athletic activities in the morning and racing for their house in the afternoon. You are welcome to attend the afternoon session from 2.00pm
