Dear Parents

I am writing to thank you for all your responses to our questionnaire.

Below is the table of results:

We do value your feedback and try to respond to any concern.

In response to Question 9 we are going to add two more formal feedback opportunities by way of a summary report given to parents in December and April. May I also remind you that teachers are always happy to talk with you about your child's progress – just ask.

With regards to the behaviour of children you can find on our website our Behaviour Policy. We use positive behaviour management as far as is possible but act swiftly if necessary to reprimand and, if required involve

parents. Many of your concerns have been to do with behaviour of children on their way home from school and we have therefore responded by asking parents to escort their children home at the end of the day.

I finish by reminding you that if you have any concerns at all, please share them with us. We will do all we can to resolve them.

Thank you again for your support.

Yours sincerely

Mrs J Apps
