15.12.17 Yr R/1 Concert 2.30

18.12.17—Year

I am very pleased to welcome everyone back to our School. I hope you have all had a lovely holiday!

The children arrived at school very eager (if a little nervous in some cases) to start in their new classes.

We welcome new teachers, children and their families to Cauldwell this term and we hope you will be very happy with us. Please remember that we are always very willing to answer any questions or

sort out any queries.

Do not hesitate to talk to your child's teacher, Mrs Leonard or myself. This term Foundation Stage consists of Mrs Holt in Lion Cubs and Mrs Hannaway in Otter Cubs. Year 1 consists of Miss Mellor in Zebras

and Miss Walls in Meerkats, Year 2 has Mr Wiltshire in Pandas and Miss Wyatt in Leopards. In year 3 we have Miss Watkins in Tigers and Miss Breslin in Turtles. In year 4 is Mr Hanson in Dolphins and Mrs Stevens in Giraffes. Year 5 has Mrs Maier in Penguins and Mrs Carpenter in Bears. And in year 6 we have Mrs Degning in Lizards and Mr Redley in Seals. Mrs Gobindram continues to lead on SEND so again please talk with her if you have any concerns.

Community Room

Miss Durham our family support worker can be found in the hut and is around to support all our families. She will also be organising adult learning which will include a number of English classes. Please pop in and see her. She is here to help. Next coffee morning: Tuesday 19th September 9.00am. Please join us.

Next week: Topics

Starting Monday 12th September the children will start their creative curriculum. Year R and 1 will be learning about themselves and their family. Year 2 and 3 are learning about the Victorians. Year 4 and 5 will be learning about Space and Year 6 will be learning about Africa. Details of the curriculum to be covered can be found on our Website.

Uniform.

We have restocked on all our uniform items (including PE shorts and bags). I hope you agree that the children look very smart in their uniform and will make every effort to ensure they wear it every day. Please can you make sure that all uniform is named. Thank You.

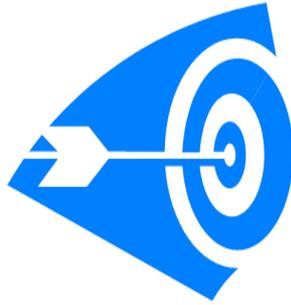

Targets!

Reading, Writing and Maths!

We can't stress enough how important it is for you to share in your children's learning.

We would very much hope that you will support their learning at home by sharing books, encouraging them to write letters or lists and playing maths games—snakes and ladders, cards, dominoes etc.

If you want more ideas on ways you can help your child please speak to the class teachers, they will be delighted to support you.

Our school targets are :

1. To raise standards in reading, writing and maths.
2. To promote personal development and behaviour.
3. To deliver outstanding leadership and management.

School Dinners.

Caterlink have written to inform us that school dinners will cost £2.15 per day ((£10.75 a week) for years 3 and 4 and £2.25 per day (£11.25) for year 5 and 6 children.

If you want your child to have school dinners please can you pay every week directly to the kitchen and remember no money no dinner.

Clubs

We hope to begin this terms clubs the week beginning 11.9.17

Please remember to respond early. They are popular and it's first come first served.

Milk!

Please remember milk is £1.60 per week now and must be paid for on Mondays.

Attendance / Punctuality

This is just a brief reminder about the importance of getting your children to school every day and on time. We start at 8.50 and will be checking and chasing. Collecting them at the end of the day from the playground is also extremely important.

And remember—No holidays will be authorised in term time!!

Car Park

Please walk to school, it is safer and healthier for you and your children. Our car park can not accommodate any extra cars. If you have to drive please use the walking bus and drop off in Victoria Road.

Thank You.

Children learn what they live...

If a child lives with criticism, he learns to condemn.
 If a child lives with hostility, he learns to fight.
 If a child lives with ridicule, he learns to be shy.
 If a child lives with shame, he learns to feel guilty.
 If a child lives with tolerance, he learns to be patient.
 If a child lives with encouragement, he learns confidence.

If a child lives with praise, he learns to appreciate.
 If a child lives with fairness, he learns justice.
 If a child lives with security, he learns to have faith.
 If a child lives with approval, he learns to like himself.
 If a child lives with acceptance and friendship, he learns to find love in the world.

We look forward to working with you to support your childrens learning in every way we can.
