Week 10

Happy New Year!

The children returned to school after the Christmas Holidays. It was good to see that everyone returned safe and well and ready for a new term of learning! We shared our news and wrote about it in our literacy books.

International Week

The children have been learning about England this week. We coloured the Bedford flag, watched Barnaby Bear as he visited London, painted portraits of Queen Elizabeth and decorated crowns. We finished our week with a cream tea, where we wore our crowns and sang the National Anthem.

New Topic

Our new topic starts next week; Trains, Tracks and Tyres. This is a transport themed unit of work, and we are looking forward to sharing the children's experiences of travelling on different transport. We shall be looking at a range of non-fiction books and stories, including The Naughty Bus and The Train Ride. We also hope to take a trip to on a steam train in March.... further details to follow.

Reminders!

Please remember to return P.E kits to school – P.E day is Friday.

Reading with your child every day....just 5-10 minutes makes such a difference if they can practise what we are learning at school.

Milk money - £1.60 a week after your child's 5th birthday, payable through ParentPay.

Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.
