Cubs Newsletter

Week 11

This Week

We started our new topic, Trains, Tracks and Tyres on Monday with a stunning start. The children had the opportunity to work in different classrooms to complete activities which included printing with vehicles, collage transport pictures, following tracks and trails outdoors and transport team games in the hall. We have been sorting and classifying transport in maths, and writing about our favourite transport in literacy. We have done lots of painting for our wall displays in school!

Next Week

We shall be learning all about buses. We shall read The Naughty Bus and go on a trail to find him outdoors. We shall be learning positional language – in, under, over, on to talk about where we find the bus. Maybe you could practice these words at home. In maths, we shall be learning all about different shapes and their names. There are lots of shape games available on the PC and tablet if you would like to practice at home.

Reminders!

Please remember to return P.E kits to school – P.E day is Friday.

Reading with your child every day....just 5-10 minutes makes such a difference if they can practise what we are learning at school.

Milk money - £1.60 a week after your child's 5th birthday, payable through ParentPay.

Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.

Achievement Awards

Otters – Mia
Lions – Allise

Tolerance Value Award

Otters –
Zehann
Lions - Anjeli

Work of the Week:

Kiyaan – for writing the alphabet in Arabic
