## Cubs Newsletter

Week 16

## This Week

The children have continued their learning about the Three Little Pigs. We received a letter from mummy pig this week asking us to help her find the big bad wolf. We made wanted posters for him, and put them up around the school. We predicted, tested and sorted materials to see which we could move by huffing and puffing. We listened to a musical version of the story by Debbie and Friends and enjoyed singing along. Perhaps you can share it at home? We finished our week by decorating pink, pig biscuits.

## Next Week

We shall be reading another of our Traditional Tales, Goldilocks and the Three Bears. We shall be using drama and Talk for Writing to introduce our story, and in maths we shall be learning about grouping in threes and sizing, just like the three bears in the story. Perhaps you can ask your child to sort objects into different sizes at home this weekend?

### Emergency Contacts

Please return the forms sent by the office this week with the names and phone numbers of three people that we could contact in an emergency.

### Health Screening

Thank you to those parents who have returned the form for the health team who will be visiting our children on Tuesday 27<sup>th</sup> February. A little reminder that in order for your child to be screened, we need the completed paper work.

### Cooking

Thank you to those parents who have sent in a termly donation helps to fund our ingredients. It is greatly appreciated. Thank you.

### Milk

A reminder that children have free school milk while they are 4 years old. Children have to pay for a milk carton following their 5<sup>th</sup> birthday. Milk 30p a day and needs to be sent in to school on Monday.

# Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.

## Achievement Awards

Otters – Jayden Bell – for working so hard in his reading this week

Lions – Ezraah – for being a superstar with his learning
