Week 2

This Week

We have been practicing writing our names. We drew pictures of ourselves in our school uniforms so that we could display them in our classroom. We also started our daily calendar to help us with our counting. We fill in a number on our number line every day...when we get to ten, we are going to have a special visitor!! We are very excited to find out who it will be!!

Next Week

We will start learning the first five sounds to help us with our reading and writing. The sounds are a, i, m, s and t. We shall practice writing these letter sounds and saying their sounds. In maths, we shall continue our math exploration inside and outdoors. We shall also be learning about harvest and making scarecrows.

Harvest Festival

The children have been practicing their harvest song and they look forward to performing it for you next Friday at our Harvest Festival. If you would like to send in a food donation for our Harvest Display, tins and packets will be gratefully received and put on display in the hall.

Treasure Boxes

To help us get to know your children, please help them to put together a box (or bag) containing their favourite things – a special toy, favourite book and a picture of their family. The children will be able to talk about them with the class.

Diary Dates

Friday 28th September – Harvest Festival
(in the main hall) 9.15am

Monday 1st October – reading/phonics
meeting for Cubs parents (in the small hall)
at 3.00pm.

Please try to be there.

Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.
