Week 23

A big Thank you

A huge Thank you for all your support in helping your child with learning their 45 Key words. The children have been very excited to show us the new words they have learnt. So please keep them with your child's reading record book so we can see their progress. You might also like to help your child practice writing their sentences at home using the key words.

Diary Dates

Friday 18th May is Sports wear or Football kit mufti day raising funds for our Summer fair. Please don't forget your donation.

After school on the 18th May there will also be a cake sale. If you would like to make or donate a cake please just hand it to your child's Class Teacher that morning.

All monies raised will be used to buy lots of Art and Craft activities for the children at Bedford Hospital Riverside Ward.

This Week

This week we have been Learning about Farm Families. We have been looking at Farm animal babies and learning their names. We have been matching the baby animals to their Mother's. In Maths we have been looking and learning about halving. We made our own play dough pizzas and then shared them with our friends by halving and when we cut the pizza in half again we made quarters. In the Afternoon we were learning about where eggs came from. We watched a chick being hatched from an egg and then we made our own Egg sandwiches. They were delicious!

Next Week

We will be learning and looking at the story rhyme 'Five little ducks'. We will be singing and acting out the song as well going on a duck hunt to find the missing ducks! In maths we will be learning about sharing, doubling and halving numbers by sharing the hen's eggs and using the Numicon to help us double numbers. We will be making bumpy number 18 using the Numicon.

Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.

**Achievement
Awards**

Otters – Osato
Lions – Jayne

**Appreciation
Value Award**

Otters – Ethan
Lions – Jaden

Work of the week!

Well done sazil for your beautiful writing when sharing your weekend news.
