Week 25

### This Week

This week we have been learning and looking at the story 'Farmer Duck'

We have been acting out the story and used the story props to help us when we played the different animals. We have been matching the animal sounds to the correct animals. We had fun making our own animals using the play dough.

In Maths we have been learning and playing with clocks. We made our own clocks and talked about the features of a clock. Outside we played the game What's the time Mr Wolf and drew clock faces on the floor using the chunky chalks.

### Next Week

We will be Learning and reading the story 'That's not my tractor'. In Maths we will be estimating. We will guess how many objects are in the box and then count the objects out to see if we guessed correctly. Outside we are having a 1 minute challenge and guessing how many activities we can do in 1 minute. In Literacy we will be looking and feeling different textiles to use for our tractors. We will be using describing words to same how the materials feel. We are going plan and make our own Tractors. Please remember to keep practicing your High Frequency words as the children are keen to show us the new words they have learnt.

## A big Thank you

A huge Thank you for all your kind offers of help for our farm trip. We were overwhelmed by the amount of offers and we were only sorry we couldn't take you all. The children had a fantastic day and enjoyed seeing all the different animals and tractor ride. Please do look on the school website class pages for photographs from our visit.

## Hot weather

As the weather is going to be very hot next week. Mrs Apps has requested that no School Jumpers should be worn next week.

## Paddling Pool

We will have the paddling pool out next week. if your would like your child to have the opportunity to have a go in the paddling pool then they must bring in a costume and towel in a named plastic bag.

# Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.
