Week 29

This Week

We have been learning about rivers. We looked at a non-fiction book called River Journey which gave us lots of information about how a river flows from the hills and mountains to the sea. We wrote words and sentences to show what we had learnt. In maths, we have been learning to add to numbers together. We took our learning outside and used giant numbered fish and bean bags to make number sentences. We have reached the letter T as we cook through the alphabet. We made Tea Bread which most of us tasted and thought was delicious. A group of children helped to clean our giant sand pit – we found all sorts of treasures including some silk sacs containing lots of baby spiders!

Next Week

We shall continue our learning about rivers. We shall be reading the story The Journey by Neil Griffiths about a little boat having an adventure down the river. You can read this story online, or perhaps borrow it from the town library to share at home.

Folder Friday

Next Friday, 23 June, we shall have our last Folder Friday afternoon at 3.00pm. You are welcome to visit Otter Cubs and Lion Cubs Classrooms and share your child's work. The side gate will be open at 3.00pm. We hope to see you there!

Sports Day

Thank you to those families who were able to support our Sports Day last Friday. The children all enjoyed taking part in the morning games which were supervised by Bedford Academy. A reminder that we do need P.E kits back into school please!!

Sunny Days

As the hot weather continues, please make sure that your child has a named sun hat and water bottle. Remember to apply sun cream before they come to school.

Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.

Achievement Awards

Otters – Ashley
Lions - Bianca

Appreciation Value Award

Otter –
Afeefah
Lions - Denisa

Work of the week

Yuvan – for fantastic addition in
maths
