Week 3

### This Week

We have been talking about who lives in our house. We read the story, Come In and joined in with the words and actions. Then we drew pictures of our families. During our calendar activity, we completed the special 'purple square' on our number line for number 10 and were visited by Zero Hero, who brought us zero shaped treats as a reward for super counting.

### Next Week

We will be learning all about birthdays. We shall read the story, Kippers Birthday by Mick Inkpen, make cards and invitations and talk about how we celebrate birthdays at home. In maths, we shall be learning all about the number one. Please help your child to practice writing the number one at home.

### Treasure Boxes

We are enjoying sharing the Treasure Boxes that your children have brought to school. The children love talking about their favourite things to the class. Don't forget to send them in!!

### Vision Screening Forms

Please return these to Mrs Hannaway, Mrs Holt or the school office as soon as possible. The School Nurse will not be able to see your child without your consent. Thank you!

### Reading Packs

Thank you to those parents who were able to attend our reading meeting on Monday. The children have all now received their reading packs. Please support your child by helping them say their sounds, build their words and read them to you. If you have any questions, please ask!

# Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.
