## Cubs Newsletter

Week 5

## This Week

We have been celebrating the Festival of Lights this week. On Monday, we learnt about firework safety and made edible sparklers using breadsticks and sprinkles. We then started preparing for our Diwali Day on Wednesday by acting out the story of Rama and Sita. We made clay divas and rangoli patterns. Most of all we had lots of fun!

## Next Week

Next week, we shall be learning about wedding celebrations. We will read the story, *The Scarecrows Wedding* by Julia Donaldson. We shall go on an outdoor hunt to collect what the scarecrows needed for their wedding and write a list of the objects that we find. We shall talk about our own experiences of weddings – if you have a picture of a family wedding, we would love to share them with the class.

## Flu Forms

Just a reminder to return your form to Mrs Hannaway, Mrs Holt or the school office as soon as possible. The School Nurse will not be able to see your child without your consent. Thank you!

# Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.

## Achievement Awards

Otters – Lacey  
Lions – Nathan

## Co- operation Value Award

Otters –  
Macey  
Lions -Laura

## **Work of the Week:**

**Max – for making a super caterpillar**
