Week 7

This Week

We have been learning and listening to the Story 'The Scarecrows Wedding' We have been finding items from the story and then wrote our own lists. We also worked together in small groups to make our own Story maps recalling the key events from the Story. We made our own Scarecrow puppets to play in the farm role play.

In Maths we have been learning to write Bumpy Number 6. We have been counting sets from 1 to 6 and recording our findings. We were also ordering Numicon from 1 to 6. Please keep practising counting and writing numbers 1 to 10 at home.

Next Week

Next week it is Assessment week In Lions and Otters Cubs. We will be assessing the children on our learning so far. We will also be assessing the children's word building in our reading times. In Phonics we will continue to practice and learn the sounds a, l, m, s, t, n, o, p and blend these sounds together to read words. Please keep practicing at home daily to help your child become more confident with reading.

Just to let you know.

**The grand total for the Children in Need Mufti day
and Cake sale raised £286.48.**

Thank you again for all your support.

Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.
