Cubs Newsletter

Week 11

Folder Friday

Thank you to all the parents who were able to come to Folder Friday last week. The children enjoyed sharing their work with you and the comments you wrote in their book were very supportive. The Cubs team work very hard to ensure that every child is achieving their very best. Thank you for your support.

This Week

This week the children have been learning about two festivals that happen at this time of year, Hannukah and Christmas. We talked about how each one of is unique and celebrate different occasions, but that we can enjoy stories as we learn to respect other people. We finished the week with Christmas Arts Day, where we made and iced reindeer biscuits, designed Christmas cards for Mrs Apps, made puppet Santas' and Christmas trees.

Next Week

We shall continue to prepare for Christmas. The children are busy rehearsing their songs for our concert on Friday 15th December....make sure the date is in your diaries!! We shall be completing a range of craft activities and writing letters to Santa.

Reading

Please, please, please practice reading with your child every night!! Just 5-10 minutes every day makes an incredible difference in helping your child learn to read. Please remember that the red reading diary is for adults to write in....not the children. Please make sure your child has their reading pack in school every day. Thank you for your support.

End of Term

Please note that the children finish at 2.30pm on Wednesday 20th December. Places are available at after school club should you need one. This enables the staff to take down Xmas decorations after the children have left, in preparation for the new Spring term.

Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.

Achievement Awards

Otters – Tyler

Lions - Rayyan
