Week 14

## **Happy New Year!**

The children returned to school after the Christmas Holidays. It was good to see that everyone returned safe and well and ready for a new term of learning!

## **International Week**

The children have been learning about Bedford, England and Romania this week to increase their knowledge about the world in which they live. We made Bedfordshire Clangers, learnt Romanian songs and games and finished our week with a traditional afternoon tea.

### New Topic

This term, our topic is Trainers, Tracks and Tyres. The children will be learning about different types of transport and how we can travel from one place to another. We hope to visit Nene Valley railway for an exciting end to our topic in March.

### Health Screening

The health team will be visiting our children on Tuesday 24<sup>th</sup> and Wednesday 25<sup>th</sup> January. They will measure the children and complete a hearing check. A letter from the health team will be following shortly. Any questions, just ask.

### Cooking

The children will continue to cook through the alphabet which we will link where possible to the stories they are learning. A £1 termly donation helps to fund our ingredients and is greatly appreciated. Thank you.

### Milk

A reminder that children have free school milk while they are 4 years old. Children have to pay for milk following their 5<sup>th</sup> birthday. Milk is 30p a day and needs to be sent in to school on Monday.

# Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.
