Cubs Newsletter

Week 1

This Week

We have had a lovely first week at school. We have all been getting to know one another and explore our new learning environment. We have painted handprints to make 'helping hands' and drawn pictures of ourselves wearing our school uniforms.

Next Week

We are going to be learning all about our names next week. We shall practise writing our names and use lots of different collage materials to decorate our name cards. We shall be exploring shapes and patterns in our play. In the garden, we hope to harvest the potatoes that are growing.

Spare Clothes

A reminder to send spare clothes including pants/knickers and socks to remain in school in case your child has an accident. It is reassuring for your child if they have their own clothes to change if they have a little accident...which does happen, especially when they are busy in their play.

Milk

A reminder that the children only need to pay for milk cartons when after their 5th birthday. Milk is £1.60 a week and money must be in school on a Monday morning, in order for the milk order to go in.

Thank You

The Cubs team would like to thank you for all your support this week; helping your child to attend school every day and encouraging them to be on time. We look forward to working with you and your children this year!

Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.
