**Week 20**

## This Week

We wrote our story maps for The Train Ride. We used word mats to support our writing. In number, we have been learning our teen numbers. Please practice counting at home! We have been learning about capacity, filling fuel tanks for our transport. New vocabulary included empty, full and half full. In P.E we practiced moving a variety of ways using ladders. The children thought the ladders looked like train tracks!

## Next Week

We are all excited about our trip to Nene Valley Railway on Wednesday. Please remember to bring your child to school early on that day. **THE TRAIN WILL NOT WAIT FOR US!!**

### Cubs Playground

We have been busy cleaning and tidying up our outdoor area now that the weather is improving. The children were all very keen to help. Please make sure the children are supervised before and after school by asking them not to play on the toys or go into the play sheds. Some toys have been left out overnight and have got spoilt. Thank you.

### P.E kits

We still have a number of children who do not have a change of clothes for P.E. We are using apparatus at the moment and we need children to wear shorts and a tee shirt to keep safe when using it.

### Cooking

Thank you to those families that have contributed to our cooking fund. A £1 termly donation helps to fund our ingredients and is greatly appreciated.

# Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.
