## Cubs Newsletter

Week 26

### **This Week**

We have been learning all about Bog Babies and their habitats. We used natural materials to create our own Bog Baby homes and then used salt dough to make Bog Baby friends. In maths, we have been continuing our learning about time. We have talked and written about what we do every day and used clocks and playdough to help us tell the time.

### **Trip to Addison Park Pond**

We are looking forward to taking the children to see the boggy pond at the park in Kempston. We shall take a snack to eat and return to school in time for lunch. Please make sure that your child has sensible shoes or trainers and a coat.

### Next week

We shall be continuing our work on Bog Baby. In maths, we shall be exploring 3d shapes and their properties and using them through play to extend our learning.

### P.E clothes

We have started doing our P.E lessons outside, so that we can practice skills for Sports day in June. We still have a number of children who do not have a P.E kit in school. Please make sure that you send a named t-shirt, shorts and trainers – it is not safe for children to be wearing their uniform and shoes for P.E.

# Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.

## Achievement Awards

Otters – Adriana – for  
being a super  
translator  
Lions - Anisha –  
super writing about  
Bog Baby

## Perseverance Value Award

Otter – Callum  
Lions - Jayda
