Week 8

Folder Friday

Thank you to those parents who were able to attend our first Folder Friday. You are welcome to come to Cubs at 3.00pm to look at your child's independent learning folder with them. We hope to see lots of you then.

Christmas Arts day

Next Friday is Christmas Arts Day. The children will be taking part in a Santa Run around the school field. Children are welcome to wear a santa hat and/or a festive christmas jumper.

We need your support!

Our school target is to improve reading across the school. We read with each individual child at least once a week, but the children need to practise the words in their word lists and reading books every day. Please support your child at home. Reading is the greatest gift you can give!

Coats/Gloves/Hats/Scarves

Please ensure all of these items are always clearly named so that they do not get lost. Thank you.

This Week

This week we have been reading The Scarecrow's Wedding by Julia Donaldson. Share the story on you tube with your child! We made puppets of the characters, Harry and Betty. We looked at pictures of a real wedding and talked about our own experiences. We made puppets of the characters, Harry and Betty. We made Fairy Bread for our cooking activity as it is National fairy bread week!

Next Week

We will be continuing our work on weddings and looking at symbols that are used by different cultures around the world. In maths we will be learning all about the number 7.

Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.
