Week 16

This Week

The children created the next page for their directional books by – my bus went Over the bridge– which they wrote carefully after cutting out a bridge to make their picture page. The bridge went over the river in Bedford and the children painted swans to beside it. In maths, we have been learning about the number 13. We used Numicon to help us count and stuck pictures of cars numbered 1-13 in our math books. Our letter of the week was L and we built words in phonics beginning with L and made lemonade for our books, Cooking through the Alphabet.

Next Week

Before we bréak up for half term, we are having a Valentines' breakfast on Friday 10th February before school. A letter will be sent home with details of how you can purchase tickets. Please note, children need to be accompanied by an adult.

P.E

Our P.E day is Friday. We encourage the children to develop their independent skills by asking them to change into their P.E kits by themselves. Some of our children have lots of layers of clothes and we ask if you can help them by wearing fewer layers of clothing on P.E days to aid them in getting changed quickly.

Congratulations

On Friday mornings we have an award assembly where we celebrate children's achievements. Each week we choose a child from each class who has achieved well during the week and they receive a smiley face badge which goes on the wall in the classroom. We also choose a child from each class that has shown our value of the month and their picture goes on the values tree in the entrance. This month our value is excellence. One child from each key stage is chosen for work of the week their work is put up in the entrance.

Achievement Awards

Lions – Darius – for great maths work

Otters –Adriana – for super independent writing

Excellence Value Award

(Lions) –
Rowan

(Otters) -
Emmah

Work of the week

Kiara- for writing sentences by herself
